**Vision:**

All Rapid City Area School  
students will achieve to their  
full potential.

Four critical questions will drive our work in order to ensure that all students learn at high levels:

1. What do we want students to learn?
2. How will we know if our students are learning?
3. How will we respond when students do not learn?
4. How will we enrich and extend the learning for students who are proficient?
